From the Desk of Father Khoa... Dear Parishioners,

This weekend's Gospel is interesting. In many Gospel passages, Jesus harshly criticizes Pharisees, Sadducees, and scribes. He is continually trying to teach them through His criticism. But today we hear Jesus tell a scribe, "You are not far from the Kingdom of God." This remark is the result of the scribe understands Jesus' message, which he articulated as a priority.

The question for us is whether or not we understand the Lord's message as well! The question for us is whether or not we understand the Lord's message as well! Although we live in a fast-paced world with much noise and busyness, it is imperative that we remember that the first and most important commandment is to put God first in our lives. Once we get that straight, we then can live in a way with focus on Him and our neighbors. In this way, we position ourselves to hear Jesus tell us, "You are not far from the Kingdom of God."

We can only hear these words of hope and comfort because of His sacrifice for us. The forgiveness we are offered can only come from Jesus. But we need to ask for it. That is why the confessional is so important. We seek forgiveness in the sacrament of reconciliation. Jesus, through the priest, gives us a way to know unequivocally that we are forgiven. Even a scribe can find Heaven and so can we. We need to focus our lives on Heaven as our ultimate goal. In the forgiveness of Christ and the prioritization of our lives putting God first, we move toward everlasting life with our Lord. **May God bless us all! Fr. Khoa**
